REVIEWS

AMERICAN SLIGO: '...the fascinating, heartbreaking mess that is Sulby's Aunt Bobbie'

[Mark Cofta, *City Paper*]

SANCTUARY: 'From my first viewing of "Sanctuary," ... Playwright/actor/ director/producer Susanne Sulby created a multimedia experience ... that transported the audience straight to the jail cells of Kosovo one minute, refugee camps in Palestine the next, and suburban kitchens where an American woman (presumably herself) existentially questioned how she can reach the victims and survivors of war on the other side of her TV screen.'

[Raluca Alba, *GO Magazine*]
